

Car Lease Policy

Objective

To provide leased cars to employees on terms and conditions as mentioned in this policy.

Eligibility

This policy covers all bigbasket employees in Bands 1, 2, 3 and 4.

Scheme

- The car provided by the company to the employee is meant for official use, and reasonable personal use.
- The company will take the car on a 2/3/4/5 year lease from a reputed Leasing Company (on behalf of the employees) and allot the car to the employee for use. The car once allotted to an employee will remain the same during the lease period.
- The lease amount/ EMI will be carved out from the special allowance of the employee (i.e. it will be borne by the employee) and paid to the leasing company.
- The lease amount which is carved out from the special allowance of the employee will be eligible for tax benefits as per the IT Act.
- Employees who have availed the benefits under this policy and are promoted to a higher band during the ongoing lease period, will continue with the existing leased car till completion of the lease period. On completion of the lease period the employee can choose to go for a car pertaining to their entitlement as per their new band. In case the employee wishes to upgrade his/her car immediately on promotion or any time before the completion of current lease period, he/she will have to buy the vehicle at the foreclosure value plus penalty (as agreed with the leasing company) and GST as applicable.
- The car will be in the name of bigbasket during the lease period.
