

OKR FY 2022 - 23

**Steps to enter
OKRs on
darwinbox**

A TATA Enterprise

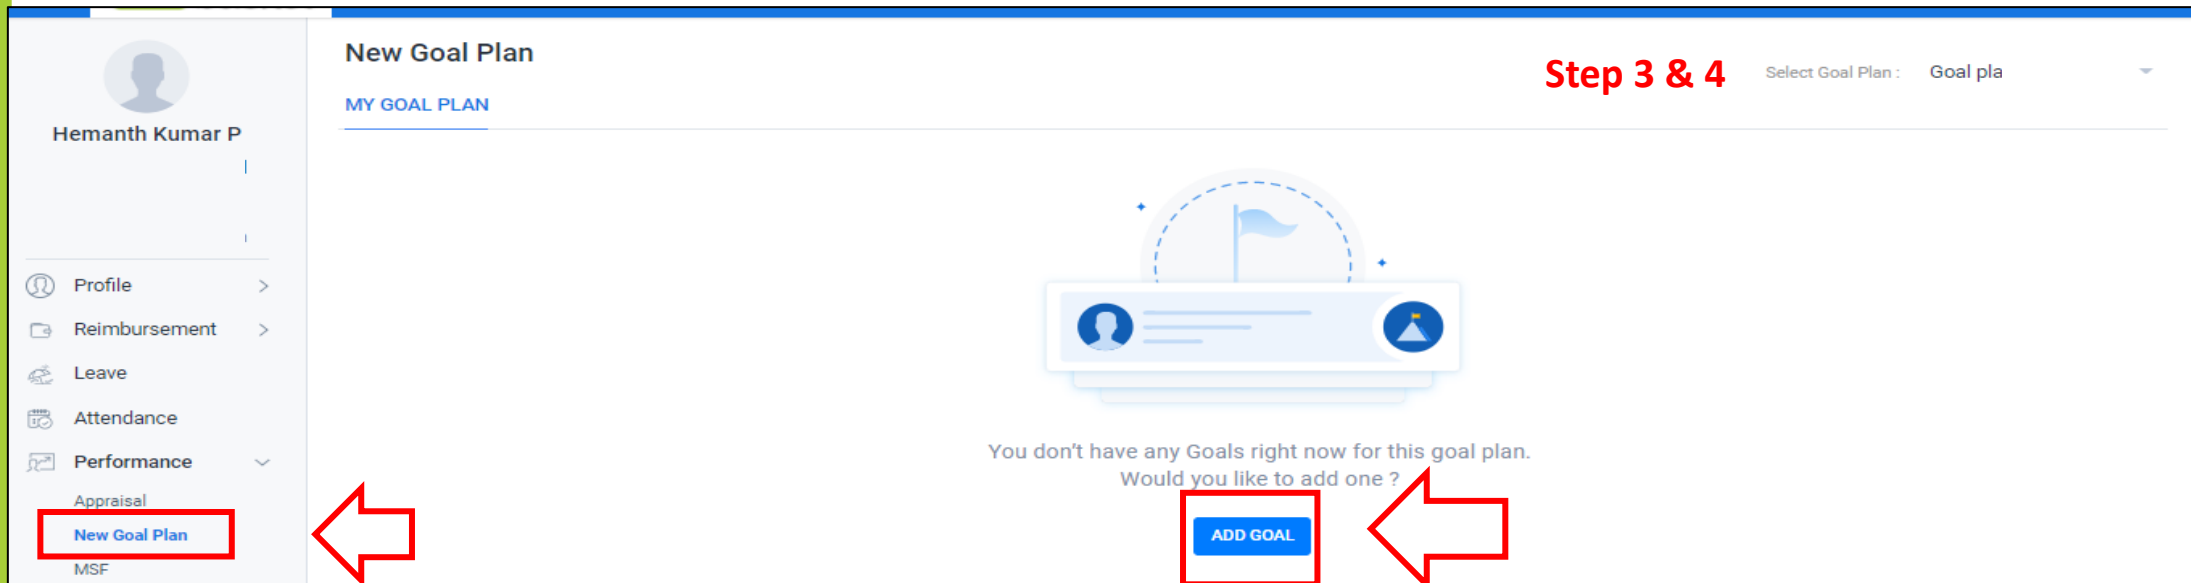

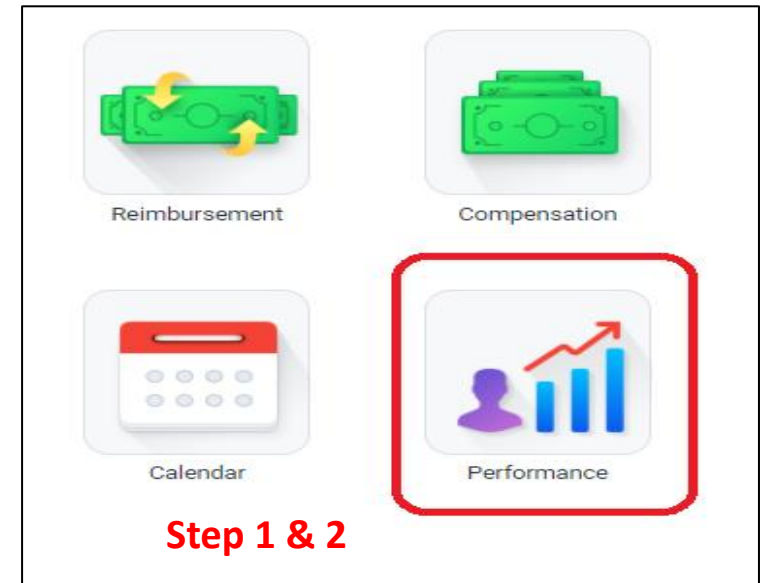

1. Goal Setting by Employee

Step 1: Login into your darwinbox account

Step 2: Go to “Performance” module in the dashboard.

Step 3: Click on “New Goal Plan” reflecting under Performance on the left side of the screen

Step 4: Under “MY GOAL PLAN” click on “ADD GOALS” in order to add your goals in the system.

Step 5: A new pop-up window will open at the right side of the page where an employee can fill

- Goal name under “Goals Title”
- Goal description under “Goals Description”
- Enter goal weightage under “Weightage”
- Click on “Save” to save the Goal details
- Once a goal is added an employee can view “+ADD GOAL” option on the page.
- By clicking this option, an employee can keep on adding multiple goals in the system.

New Goal pending for submission

Goal Title 2

Weightage
0 %

Delete

New Goal pending for submission

Goal Title 3

Weightage
0 %

SHOW DETAILS

Step 6: Once all the goals are added, click on “UPDATE WEIGHTAGE & SUBMIT”. A pop up window would open where an employee needs to give Weightage against each goal.

Please do note that **sum of weightages of all goals must be equal to 100**. If the weightage is not equal to 100 then system will not allow you to proceed further.

If an employee wants to see Goal Description entered against any goal, they can click on “SHOW DETAILS”. Also if in case an employee wish to delete any goal then they can do so by clicking on three dots reflecting at the right side of a goal and then delete option will appear.

Step 6

Adjust Weightage

Total weight of all your goals should always be equal to 100%

Goals - 3

Goals Title	Weightage
Goal Title 1	30 %
Key Results - 0	
Goal Title 2	30 %
Key Results - 0	
Goal Title 3	40 %
Key Results - 0	

Would you like to add any comments?

Enter your comments here

Total Goals Weightage :
100.00 out of 100.00%

SUBMIT

In the pop up window, enter the weightage against each goal and click on “SUBMIT”. Upon submission the Goals entered would be submitted to Reporting manager for approval.

New Goal Plan

Select Goal Plan :

MY GOAL PLAN

Your goal plan is now submitted to your manager for approval. You can recall to make more changes and submit.

REVOKE ALL

RECALL

Sort By : Select

Changes pending for approval

Goal Title 1

Weightage
30 %

SHOW DETAILS

After submission of Goals, if an employee wishes to pull back the Goals then he needs to click on “RECALL” option. This option will be only available till the reporting manager does not act on the request.

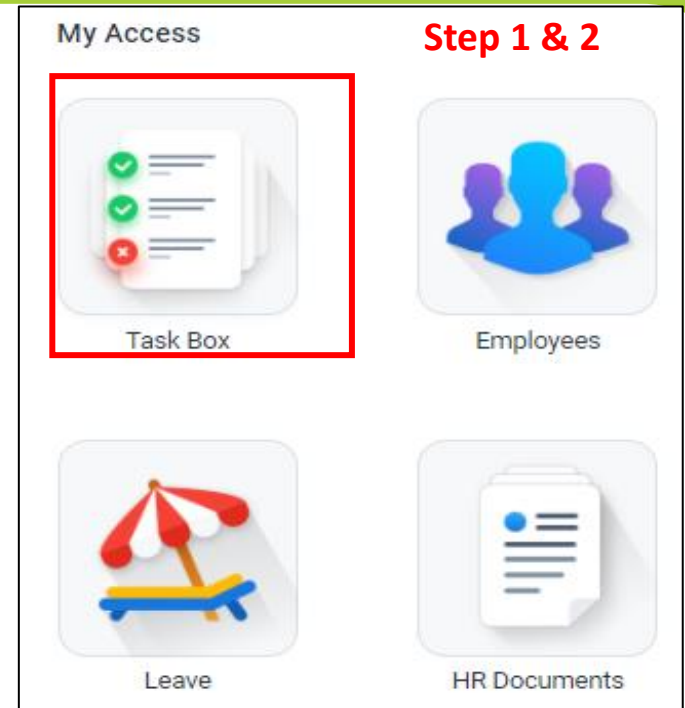

Note: Please DO NOT CLICK on “REVOKE ALL”, this option would pull back the submitted request and would reset the goals (all the entered goals will be cleared and employee will have to re-enter all the data).

2. Goal Setting approval by Manager

Step 1: Login into your darwinbox account

Step 2: Go to “Task Box” module in the dashboard

Step 3: In the Tasks box, the “New Goal Plan Tasks” header would reflect on the left side of the page. On clicking it, the New Goal Plan Tasks pending for action would reflect on the right side on the page. To take action on the request click on “ACT” option.

Select Goal Plan

Changes submitted by Surendran are pending with you for your review.

Manager can send back goals to their reportee by clicking on this option

SEND BACK APPROVE ALL

Changes pending for approval

Goal Title 1 Weightage 30 %

View changes and approve

Goals can be approved individually

DO NOT CLICK ON THIS OPTION, THIS WOULD DELETE THE GOAL ENTERED BY REPORTEE

Goal Title 2 Weightage 30 %

View changes and approve

SHOW DETAILS

Step 4: A new tab will open where a Reporting manager can view the Goals entered by the reportee.

- To view “Goal Description” entered by an employee, one has to click on “SHOW DETAILS” and then the panel will expand.
- To view less, reporting manager can click on “HIDE DETAILS” and the panel will collapse.
- Reporting manager can approve all the goals in one go by Clicking on “APPROVE ALL”, they can also approve goals individually by clicking on “” icon
- Reporting manager can use “SEND BACK” option to send back any goal to their reportee with comments on changes to be made

Key points for employees:

- An employee can keep on adding / editing goals until those goals are approved by the reporting manager.

Key points for Reporting manager:

- In case where a reporting manager feels that employee should do some changes in the goals submitted by the reportee, then he/she should use a send back option to send back to reportee.
- Once the employee re-submits the goals then reporting manager can approve the goals

Thank you!
